Addendum No. One

Pursuit Vehicle Build Out (Annual Contract) RFP No. 23-0015

Use the form provided in the solicitation to acknowledge receipt of this addendum. Failure to do so may result in your submittal being deemed non-responsive and not receiving further consideration for award.

Vendors are informed that the above subject Request for Proposal (RFP) is hereby modified, corrected, or supplemented as specified, described and set forth in this Addendum:

A. City's response to requests for clarification

1. Question: "Is Columbus Consolidated Government agreeable to a hardware only bid (hardware and services separately), or is it their preference to award all to only one vendor?"

Response: The City will not agree to a hardware only bid (hardware and services separately). The awarded vendor will be responsible for acquiring and installing the equipment specified in the pursuit vehicle packages as stated in the Technical Specifications (Appendix A), page 19, with the exception of specific package build items the City of Columbus will purchase and provide separately for installation (*see Item C. Additional Information, #2 and #7, page 25*). It is the responsibility of the awarded vendor to ensure all items are acquired before installation is scheduled. The contract will be awarded to a single vendor with the capabilities and resources to acquire all equipment needed to complete a package build out and perform the required installation.

Andrea J. McCorvey
Purchasing Manager
